### ***Dragin Fly Team Goes Wire to Wire in Presidential Papagayo Cup Anglers Pocket nearly \$25,000 in Victory***

Marina Papagayo, Costa Rica—The *Dragin Fly* angling team of Dwight Wolf, Mike Rankey, Tim DonLevy and Pat Renfro led wire to wire in the third annual Presidential Papagayo Cup, scoring 1,200 points from two blue marlin and six sailfish releases on Day Three alone for a total of 3,200 points and the win. They also swept the daily and overall optional jackpots along the way to victory to rack up nearly \$25,000 in prize money. After releasing a blue marlin and seven sailfish on Day One, the team never let up, remaining in the lead at nearly every turn until the final call for lines out was made at 3 p.m. on Day Three.

This comes as their third win of the year, following a first place finish in the Los Suenos Signature Series event in January as well as winning the title of Top Overall Team in the Los Suenos series. The *Dragin Fly* is a 42-foot custom Maverick charter vessel captained by James Smith.

In the Angler Division standings, *Dragin Fly's* Mike Rankey took top honors with 1,400 points.

Finishing third was Dwight Wolf, the leader from the first two days from the *Dragin Fly*.
